

## **For Immediate Release**

September 25, 2006 Fair Haven, New Jersey...Renascent Group L.L.C. is pleased to announce the placement of Catherine Parham, Medical Director to Amicus Therapeutics in Cranbury, New Jersey. Renascent Group L.L.C. is a full service executive search and placement group for the pharmaceutical, advertising, medical education and biotech fields located in Fair Haven, New Jersey.

Trenton Beriont, President and Co-Founder of Renascent Group says, "I am pleased to assist Amicus as they build their company." Placement was made by J. Hudson, Account Executive that manages the Dallas, Texas office. Ms. Hudson comments, "Ms. Parham has a perfect combination of experience, personality and professionalism. I believe she is a great asset to Amicus."

Catherine Parham received her Bachelor of Science and Engineering at Massachusetts Institute of Technology and her Doctor of Medicine at Boston University School of Medicine and her Masters of Business Administration at Northeastern University in Boston Massachusetts. Catherine worked most recently at Millenium Pharmaceuticals, Inc in Cambridge, Massachusetts before moving to Amicus Therapeutics as a Medical Director within the Medical Affairs team.

Amicus Therapeutics is a clinical-stage biopharmaceutical company focused on the discovery, development, and commercialization of a new class of small molecule, orally-administered drugs to treat a range of human genetic diseases.

The Renascent Group is a premier executive search firm specializing exclusively in the search and placement of exemplary executives for some of the country's leading pharma/biotech and medical communications companies. For more information on Renascent Group L.L.C. please call 732-576-8758 or visit them at [www. RGroupUS.com](http://www.RGroupUS.com).
